

Sign me up as a member of the Eastern Washington-Northern Idaho EFT Community (aka inlandnorthwest)! I understand I must have at minimum a 4-day externship in EFT from an ICEEFT certified trainer and be a dues paying member of ICEEFT in good standing to be eligible to be listed on the EWNIEFT community website. As a member I receive an updated listing of my picture and bio on the community website, can check out videos from the joint EFT library, and receive discounts to attend local training events hosted by the EWNIEFT community. My EFT standing listed on the community website (externship, advanced, certified, supervisor) must be the same as reflected on the ICEEFT website.

I also understand my membership must be renewed annually. An email reminder will be sent one month in advance of time to renew. A current fee of \$50 includes having your name, brief vita of your practice, training level and your own business website (if you have one) listed on the INWEFT website. Other options may come available as membership increases, funds are available, and are agreed upon by the Inland Northwest community collective.

Please Make Checks out to **Couple and Family Institute of Tri-Cities** and send it to Carol Conrad at 8121 W. Quinault Ave. Ste F202, Kennewick, WA 99336 or include your visa/mc number and fax it to 509-232-0216:
